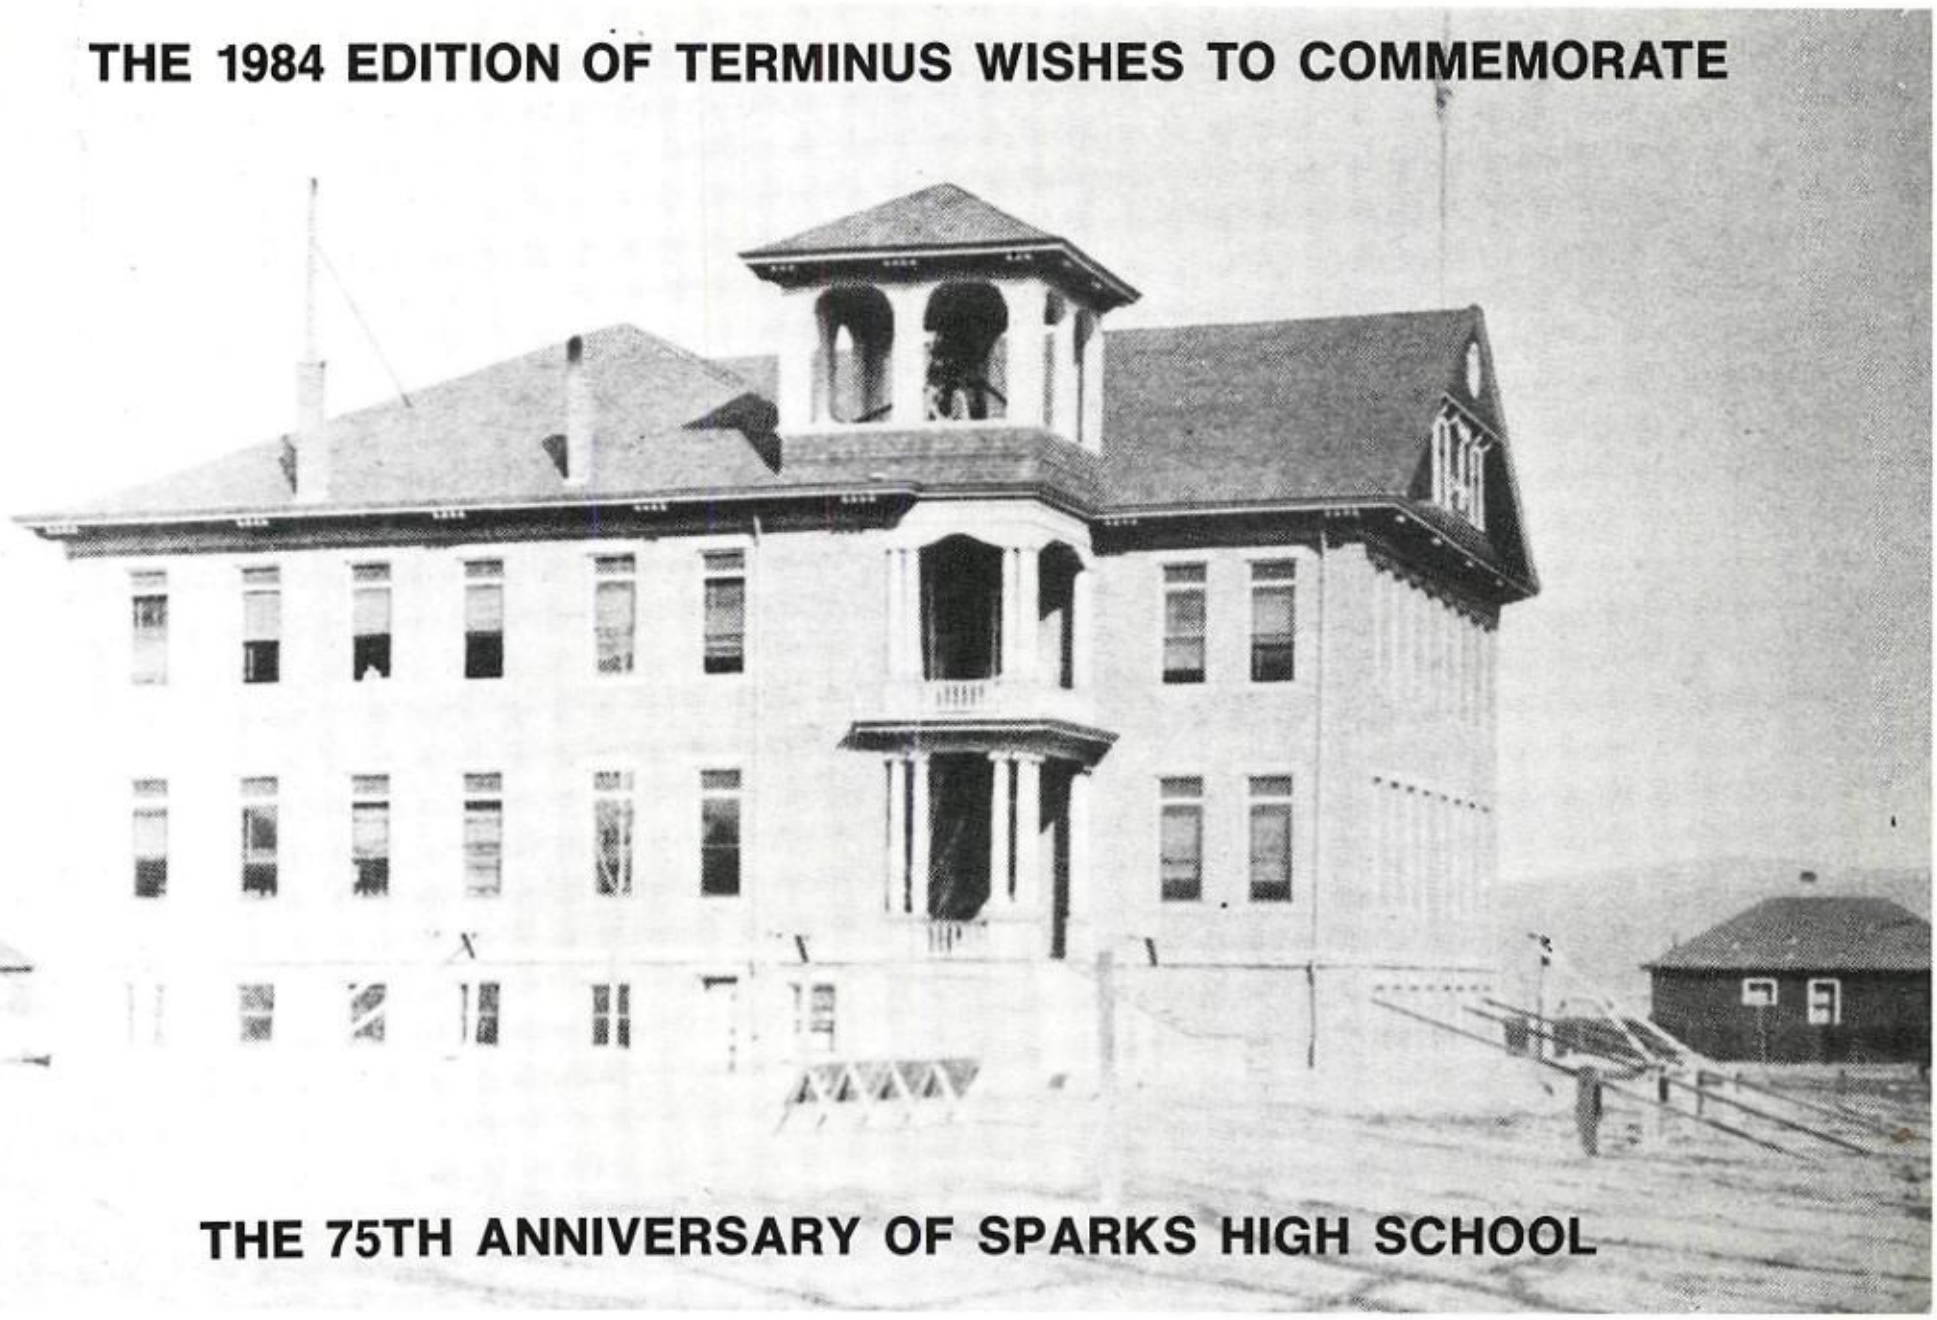
THE 1984 EDITION OF TERMINUS WISHES TO COMMEMORATE



THE 75TH ANNIVERSARY OF SPARKS HIGH SCHOOL

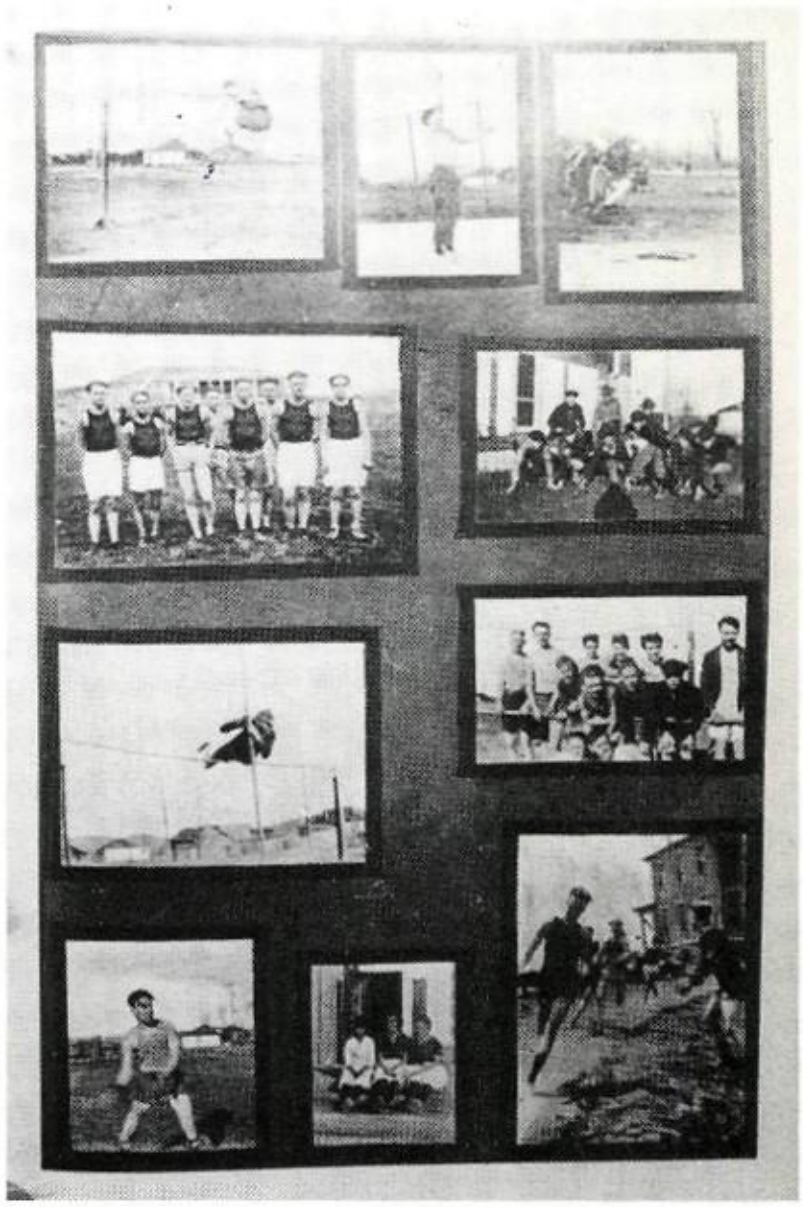
July 4, 1904 was the so called "day of the big move", when the Southern Pacific Railroad arranged to move an entire town of seventy houses from Wadsworth to a meadow three miles east of Reno. This marked the beginning of what is now called Sparks, Nevada.

Southern Pacific made the move into this area because they felt it would be more efficient being closer to a big town. Proposed names for this new town were many. Some of the people thought they should call it New Wadsworth or Harriman. It became Glendale for a while until they changed it to Sparks, in honor of the governor, John Sparks.

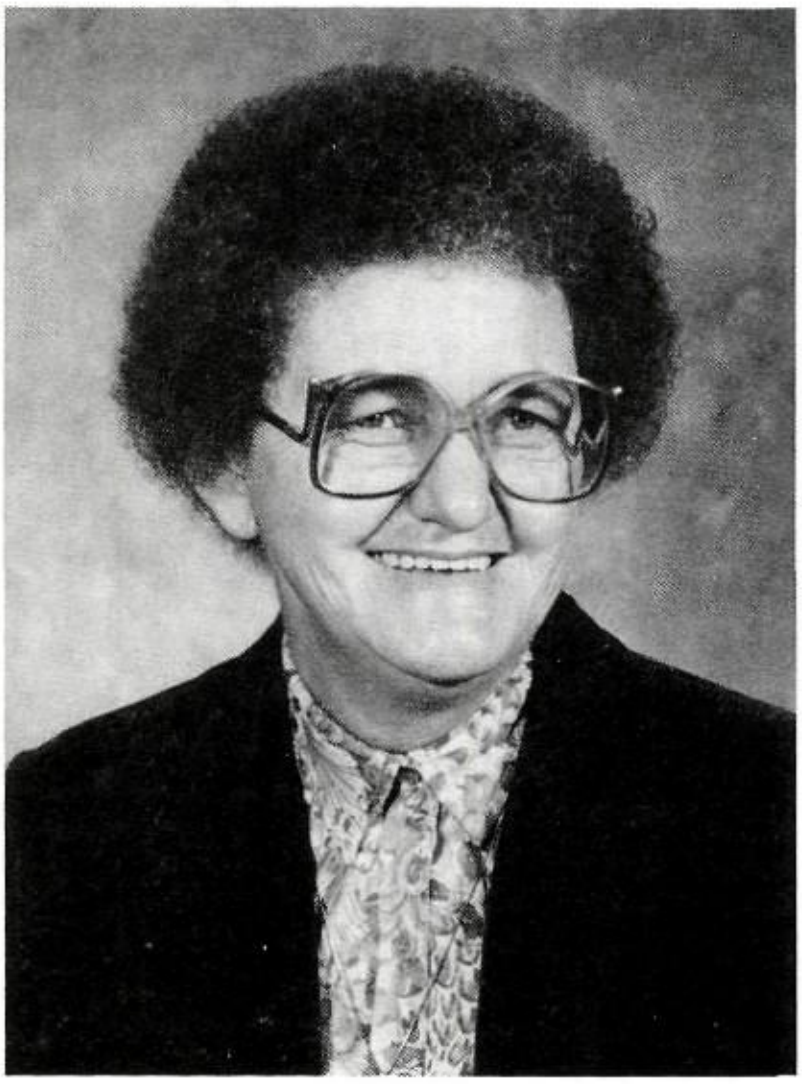
Having all those families move here from Wadsworth meant a school would have to be built in order for the children of those people to receive educations. A $30,000 bond issued by the Nevada State Legislature, a piece of land donated by the subdivider N.C. Prater Co., and the services of an early architect named Kronick resulted in the building of a fine two-story brick structure with a full basement on the site of the present Robert Mitchell school to house all classes. In 1909, the first graduating class of Sparks numbered three. The first yearbook, titled **Sparks** was published in 1915.

The growth was rapid up until World War I. The population of 3,238 by then required a separate high school building, which occupied the city block bounded by 14th and 15th streets, and C and D streets. The Class of 1918 started its senior year at Robert Mitchell, but moved to the 15th street school at the conclusion of the first semester. In 1921 enrollment grew to a total of fourteen seniors, seventeen juniors, thirty sophomores, and fifty-one freshmen. In 1927, the yearbook known as **Sparks** became known as **Terminus** in honor of our heritage as a railroad division point. By the end of the 1920's the population in Sparks grew to 4,308.

The War years and those that followed saw a 54% growth in Sparks' population in the 40's and 103% in the 50's. Its population of 13,000 led to yet another move, as the building of a new Sparks High School was begun. The Class of 1952 was the first graduating from this new and present building. In 1975 a graduating class of 393 was a record for the growth of our student body, which prompted the construction of yet another high school for the city of Sparks.



In Dedication



MRS. EDITH CRAWFORD

Completing her thirty-first year of service to Sparks High School is one reason for a permanent memorial to Mrs. Edith Crawford, senior member of the Sparks High staff. As a caring teacher, she has instructed business classes in typing, bookkeeping, and shorthand, along with advising the Pep Club and several classes.

In 1980 she accepted the position of Director of Student Affairs. The position often involves her with discipline. Students know her handling of their situations will be fair and patient.

Mrs. Crawford, we, the yearbook staff of Sparks High School, appreciate your concern for and energetic service towards our school. As a symbol of our thankful appreciation, please accept our dedication to you of this seventy-fifth anniversary edition of TERMINUS.

Live the life you want, Nevada!

For all of us here in Nevada, living the life we want often means something a little different. But it always means something special. Most of all, it means working together.

And no matter the life you choose to live, First Interstate Bank of Nevada is committed to helping you live it.

Maybe it's making a move for the better with the help of a home improvement loan. Or planning for retirement with one of our IRAs. For some, it's a new car or recreational vehicle. Or a college education with a government-backed student loan offered only through First Interstate Bank of Nevada. Perhaps it's financial strength for that growing business. Or a consumer banking package that fits your individual needs.

First Interstate Bank of Nevada and you. Working together to help you live the life you want. Just as we've been doing for the past eighty-two years.

Come Blow Your Horn was a success

Alan- **Keith Crowningsheild**
Buddy- **David Fujji**
Father- **Troy Falk**
Mother- **Erin Peel**
Peggy- **Vonda Marshall**
Connie- **Irene Baskerville**

Alan was a playboy type person. He worked for his father in the waxed fruit factory. **Keith** played this part real cool.

Buddy was his sheltered younger brother. Alan hardly worked, but Buddy always had to be to work right on time. Buddy left home for the first time and went to live with Alan. **Dave** played the part as a quiet and shy person who in the end became cool. He picked up Alan's image.

Buddy's father was a very stubborn man. He was jewish, and he was very strict with Buddy. **Troy** played this as a mean and harsh person.

The mother was very loud, and over protective of Buddy. **Erin** played the part of a whiner. She was always complaining. Peggy was a woman who was trying to break into show business. **Vonda** played a flusey person in this scene. Connie wanted to get married to Alan, and settle down. **Irene** was a mature person playing this part. All together it was a very well done play.

1. **Erin,** the mother, trying to remember a phone call.
2. **Dave** explaining to Alan he has eight pairs of socks.
3. **Erin,** the mother, looks like she has just seen a ghost.

The sound and lighting were done by seniors **Steve Young** and **Tim Sheilds**. Security for the show was provided by **Keith Crowningshield,**, **Mike Fimby**, and **Mark Pinto**. 1909

In 1909 a school was founded. Sparks High School became the home of the Railroaders. The Railroaders are a proud, spirited group of people.

Many changes have occurred throughout the years. The building has changed locations. After originally sharing a site with the elementary school, the first building was on the corner of "C" and 15th Streets. Sparks High has changed and modernized in the last seventy-five years, but one thing has not changed and probably never will. The Railroaders' spirit, pride, loyalty, and dedication towards Sparks High School will never die.

PRINCIPAL'S MESSAGE

The 1983-1984 school year marks the 75th anniversary of Sparks High School. The first yearbook was titled, "Sparks," and records the many school activities, as well as pictures of students and staff. In 1927 our school yearbook called "Sparks", became the "Terminus" in honor of our heritage as a railroad division point. All of the staffers, advisors and students have been enthusiastically involved in making every yearbook meaningful and memorable. The memories captured in the many photos, complete with names and activities, provided a Sparks High School pictorial history which will be preserved forever.

When we are all enjoying the 1984 Terminus, let us not forget the many hours of dedicated service this years staff and advisor have spent in continuing with this traditional publication which will once again provide each of us with a great deal of pleasure.

My sincere thanks to each member of the 1983-1984 staff and our yearbook advisor, Mr. Gary Furman, for an excellent Terminus.

So Long, Mrs. Keele

Mrs. Teddyanna Keele has been a dedicated teacher for over thirty years. She has been teaching at SHS since 1954 and she is ending her career in 1984. She attended SHS from 1934 to 1938. As a student she was involved in yearbook, and speech and drama. She also competed in various sports. She was a pianist, a swimmer, and a lifeguard. Believe it or not, Mrs Keele was the coach of a boy's basketball team at Gardnerville in her first year as a teacher. According to Mrs. Sill she refers to herself as a hobbit or Queen Victoria and she feels that someday her students will come back and thank her for what she's taught them. Well Mrs. Kelle, **distance-wise,** you've come a long way. Thank you for everything.

She will also be remembered by the staff of **Terminus,** for her many years as yearbook Advisor from 1944 to 1972. She will be remembered as a teacher for her dedicated years. She was a former member of the Washoe County Teachers Association and the Nevada Education Association. As Mrs. Teddyanna Kelle said, "Miss Denevi was a quiet person, who loved her job very much, and always took time out for her students." We hope to wish that her days now are even happier.

Good 'show' at zone

Coach Melody, Billy Morgan, Chris Pine, David Spencer, John Sabo, Jon Johnson, Dino Cecchi.

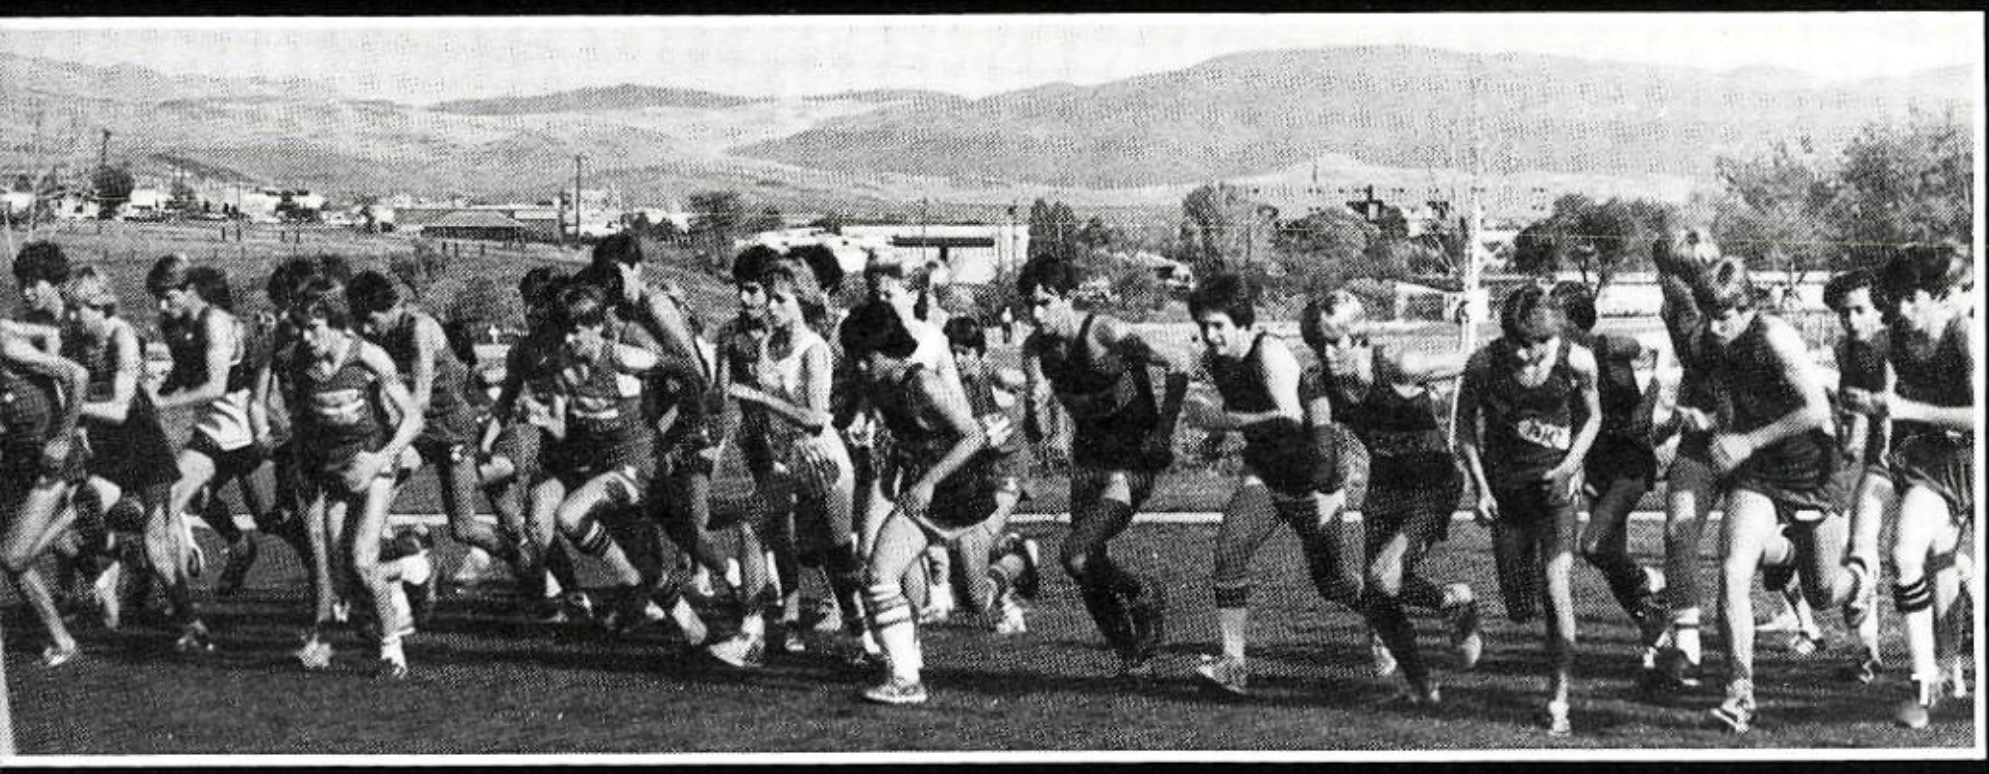
Both, boys and girls Cross Country teams had no seniors as members this year.

Billy Morgan, a sophomore, was one of the top runners in Northern Nevada. **Billy** took third place in the Northern Zone meet. **Morgan** was supposed to go to the state meet but was unable to participate. **Morgan** was beat in zone by two runners who were both seniors.

Julia McDonald was probably the girls most improved and valuable runner for Sparks. **Julia** was a freshman this year. She took 17th in zone competition. Tops of the girls for Sparks.

First year coach, **Tony Melody** can look forward to a good team in the future with standouts **Chris Pine, Billy Morgan,** and **Julia McDonald.**

TOP: Dawn Morgan, Coach Melody, Alis Kirkpatrick, Antonette Mendoza
BOTTOM: Lori Lane, Julia McDonald, Susanna Sambrano, Sylvia Sambrano.



1. The start of a long and vigorous race.
2. At the beginning of the girls varsity race against the McQueen Lancers.
3. **Dawn Morgan** attempts to pass other runners.

Doubles team leads Sparks

As far as doubles teams are concerned, the Sparks High Tennis Team was above par.

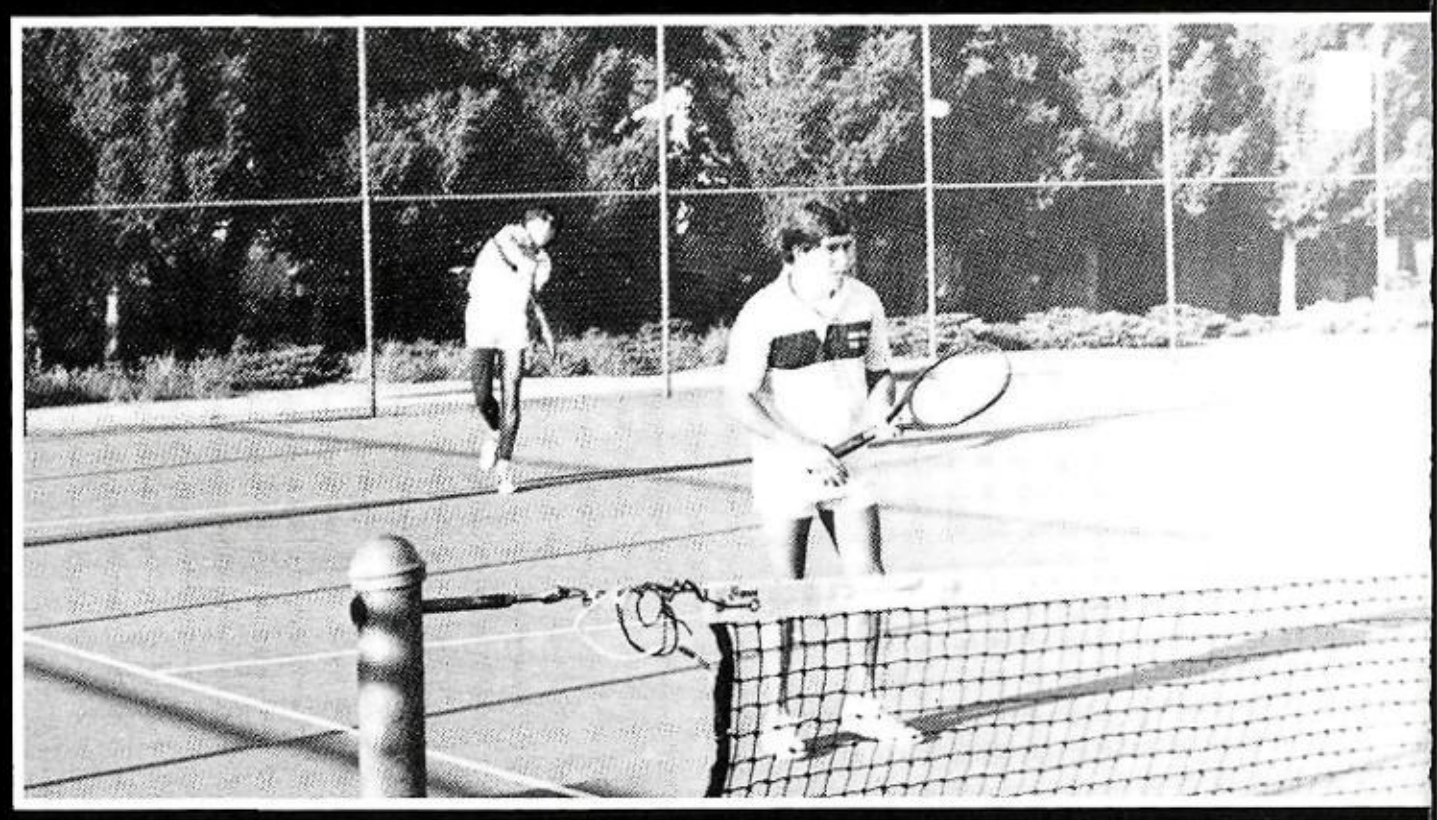
Paul Payne and **Jon Pennington** led the Sparks doubles teams with a 28-8 record. **Payne** was the tennis teams most valuable player. **Paul** is a senior and has played three years on the high school level.

Pauls' partner **Jon Pennington** is a sophomore and this is his second year on the team.

The doubles team of **Payne** and **Pennington** went to zone and advanced as far as the third round. No other singles or doubles team from Sparks went that far.

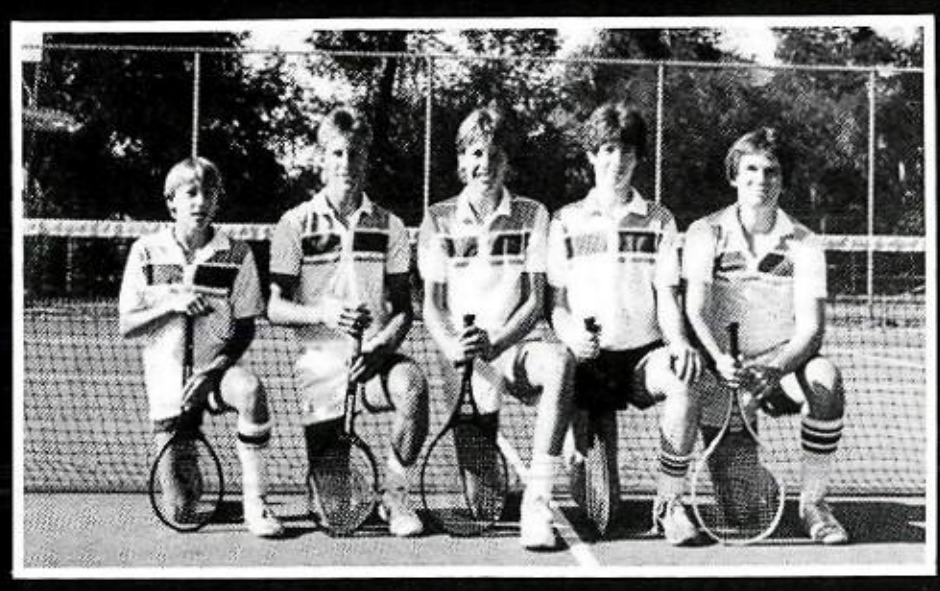
The team had a few new faces. **Dave** and **Rob Maes** transfered to Sparks from Virginia.

1. **Rob Maes** sends the ball flying over the net.
2. **Jon Pennington** serves as **Paul Payne** awaits the return.



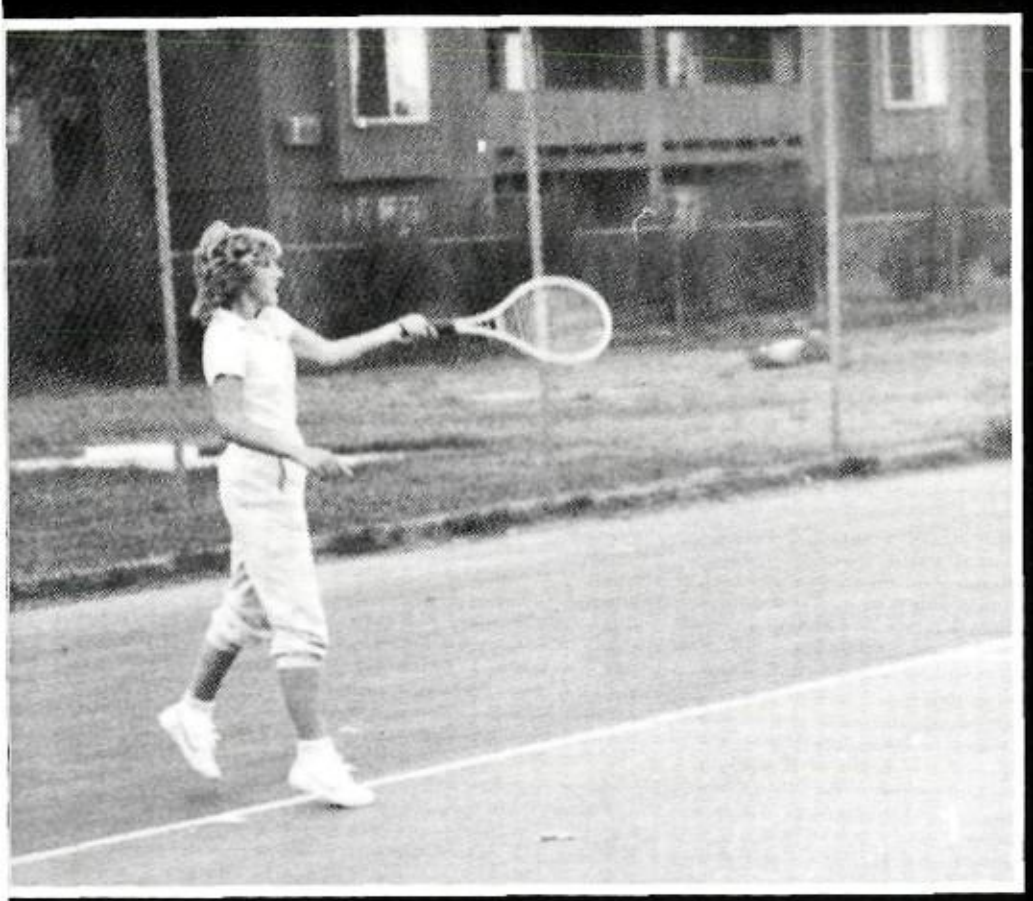
Tim Mooney, David Howard, Paul Payne, Luis Baglin, James Lambert. Pat Tremblay, Mark Smith, Jeff Jackson, Jon Pennington, Coach Garcia.

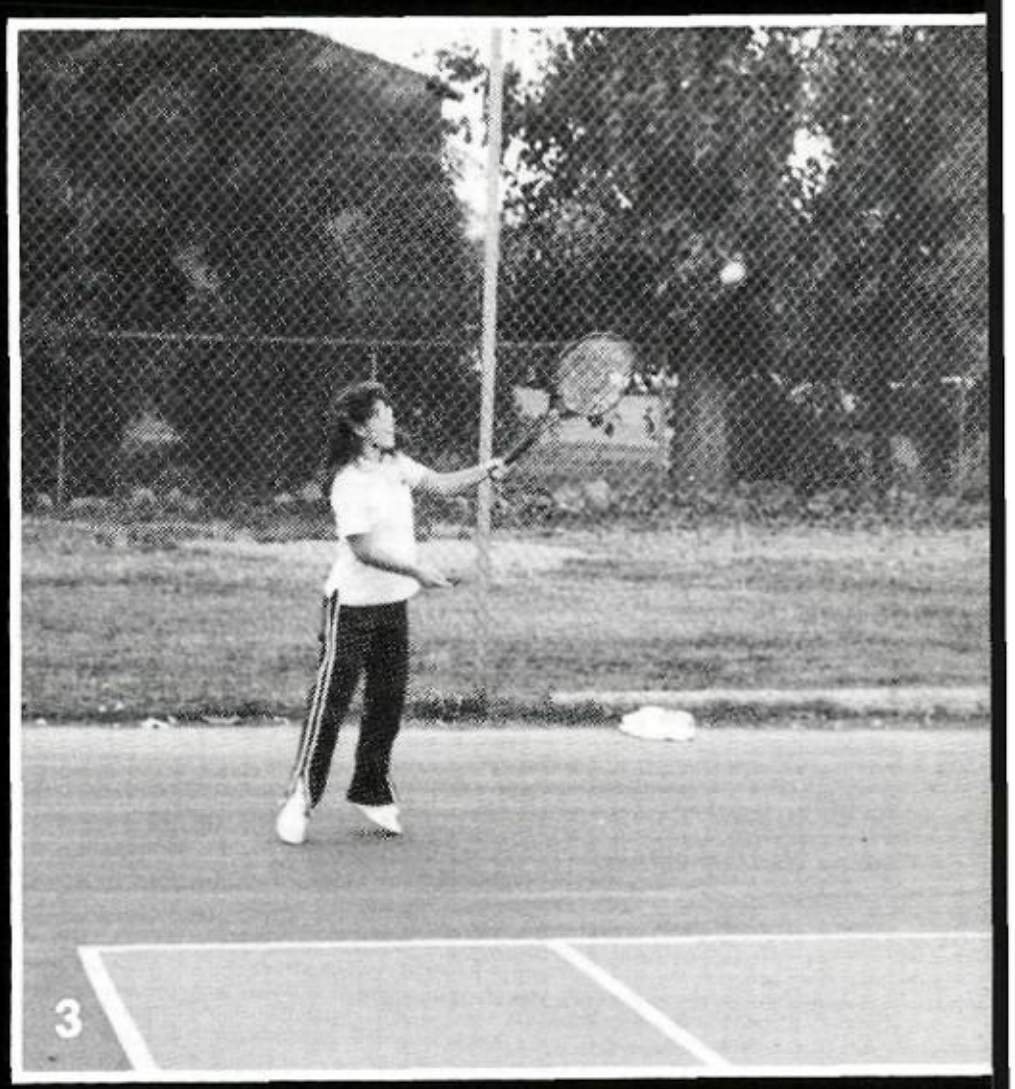
Bobby Garlick, David Maes, Robert Maes, Tom Wagner, Elliot Sattler.



Frosh women strengthen team

First-year coach **Leola Tucker** and her two veterans, seniors **Mimi Fujii** and **Lizbeth Cohen,** were helped out on this year's squad by six freshman ladies. While lack of experience hurt the squad at times during the season, the young team members seasoned quickly. None of the girls qualified for the state tourney in the South this year, but there will be another day.





Top Row: Shannon Zamboni, Rochelle Matt, Coach Leola Tucker, Lizbeth Cohen, Shannon McGinnis. **Bottom Row:** Mimi Fujii, Michelle Moison, Natalie Tucker, Susan Howard.

1. **Rochelle Matt** strokes one back to a teammate during a practice session.
2. **Shannon Zamboni** undercuts a shot as her partner, **Michelle Moison,** looks on confidently.
3. As the return of service leaves her racket **Mimi Fujii** knows she has hit a nice one.

Small numbers hurt varsity

This years Sparks High Varsity football team tied its best record since Reed High School was built. Our varsity this season finished with a **3 and 6** record while beating Douglas High **13** to **7** in an exciting overtime game. Sparks next victim was the Hawks of Hug High. This game prevailed in Sparks scoring **21** points and our opponents only **8**. Our last win of the year came in our homecoming game against South Tahoe. The final was Sparks **21,** South Tahoe **7.**

Sparks had 11 returning varsity lettermen, **Jeff Holifield, Brett Johnston, Clay Hall, Chick Mooney, Albert Dufer, Chris Goodman, John Pinto, Mike Rusk, Allen Wilt, Bryan Hooper,** and **Dave Fujii.**

Our team consisted of a total of 12 seniors, 10 juniors, and 1 sophomore. The team ended up 1 junior short when the Junior Varsity team lost their only quarterback. **Steve Cabacungan** went down to the J.V.'s to gain some experience.

Luis Flores was our token sophomore changing his position from frosh fullback to varsity lineman. **Sean Moyle** was our only other senior. **Sean** was a transfer student from Yerington High School. Sparks had one problem to overcome. Sparks was the smallest team in the league. Starting out with 23 players and finsihing the season with 17 players wearing their uniforms.

J.V.'s have impressive season

The Junior Varsity had a very impressive year winning 5 games out of possible 9.

The team was short on manpower but had good quality players. The J.V.'s consisted of 6 juniors, 19 sophomores, and 2 freshmen.

The team was led by coaches **Dave Dickinson** and **Ken Cass.** The two led an inexperienced group of athletes to the best record in the school of the three football teams.

The team was in trouble when Manogue transfer student, **Eric Martinez,** was injured and put out for the season. **Eric** was the J.V.'s only quarterback. **Steve Cabacungan** was called upon to take on the job. **Steve** came down from the varsity and gained much experience.

On the receiving end of the two quarterbacks was junior **Eric Hefley.** Standouts on defense were, defensive back **Chris Hamlin** and freshman noseguard **Dale Moss.**

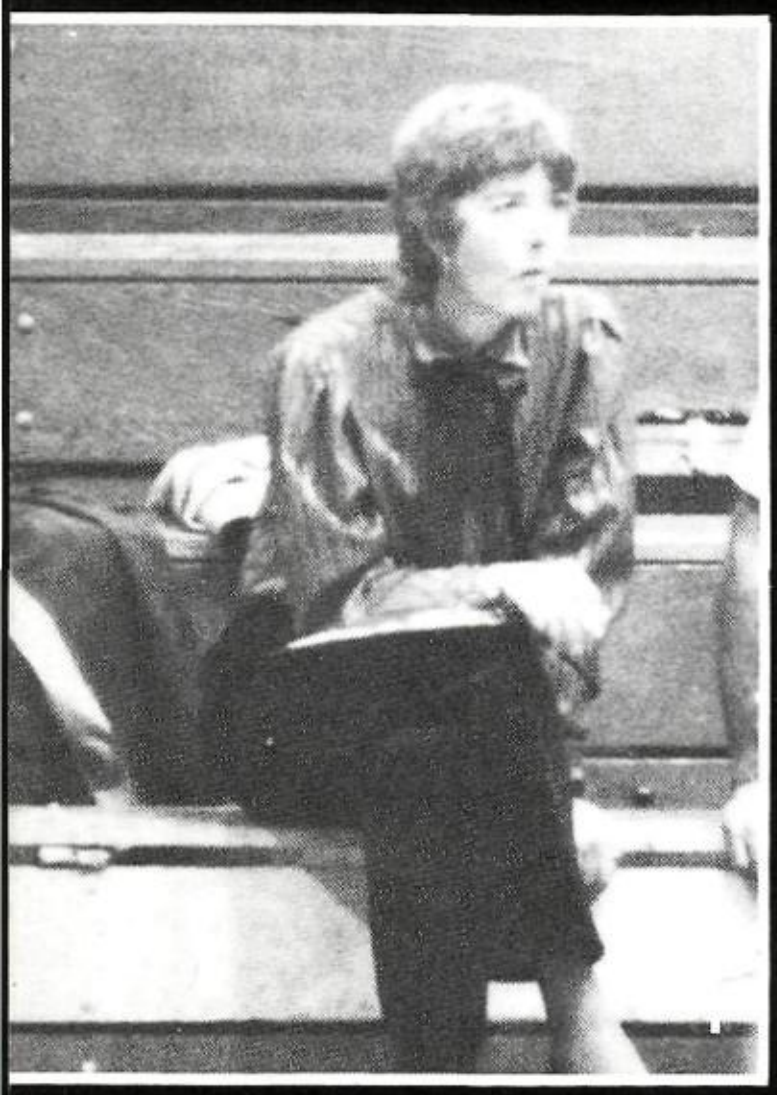
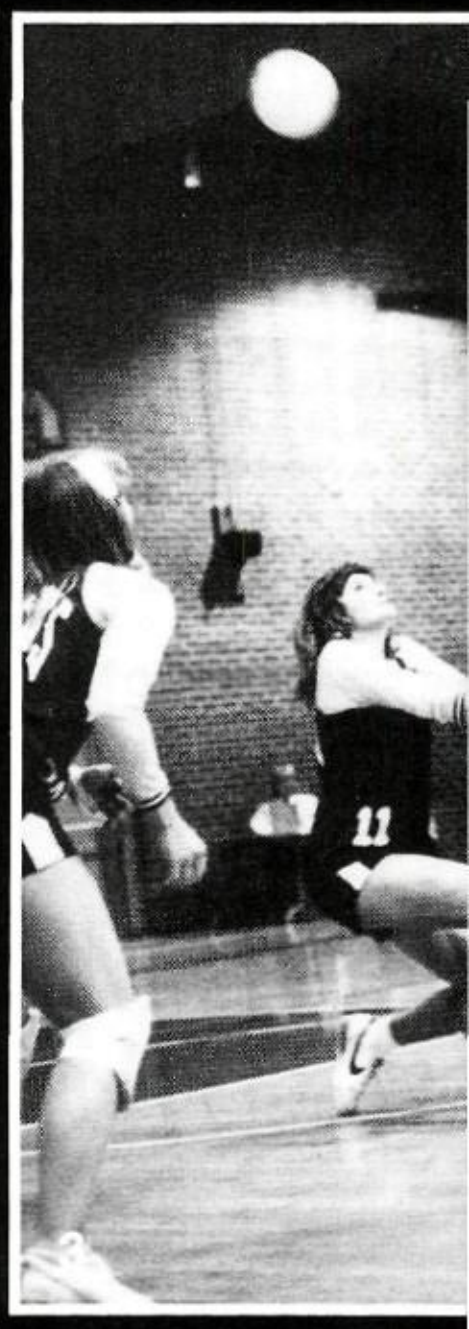
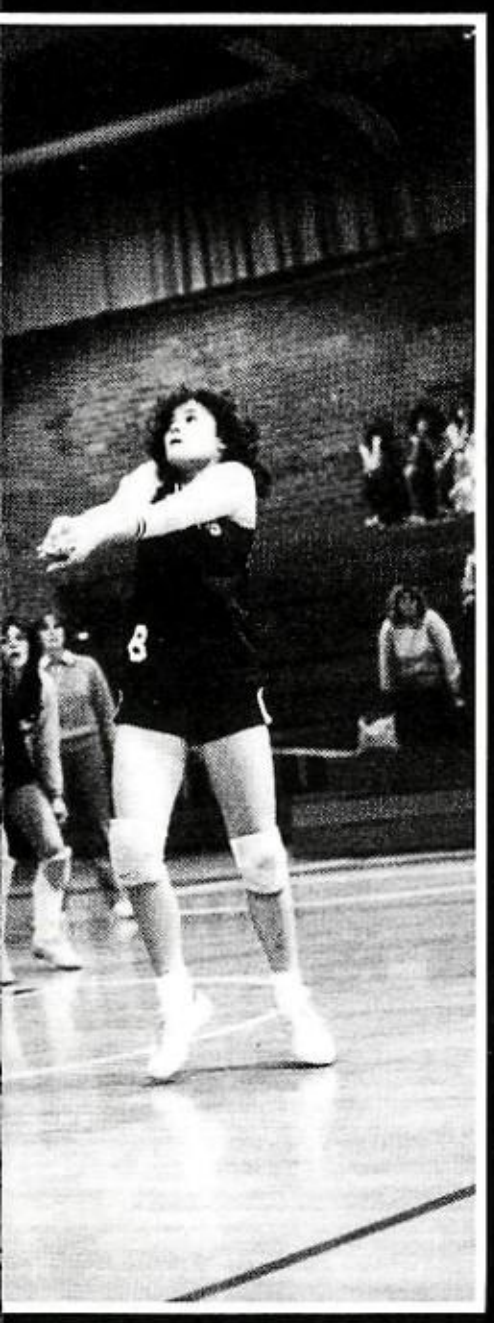
Desire and determination are team traits

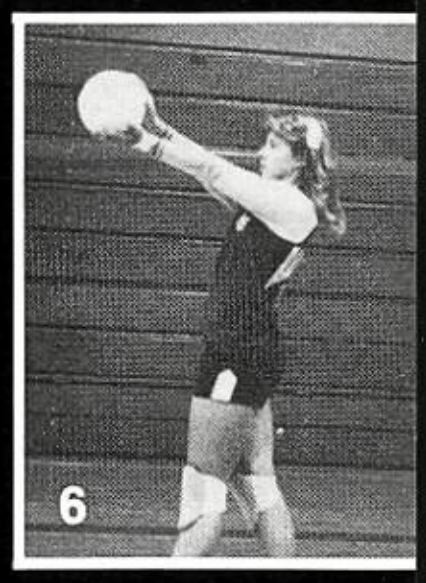
Though not tremendously successful in the winning column, this year's team was exeptional for its enthusiasm and intensity in playing the game. The team got consistently strong play from **Lorrie Bergmann** and **Kris Galleron** in setting the ball for the spikes of **Kami Rock** and **Whitney Gleba. Wendy Brown** was especially good at making the diving dig to save a point, while the aces from the service line by **Lorrie** and **Whitney** inspired the play of the rest of the corps of solid all-round players: **Anna Martin, Tracy Williams, Roxy Lavelle,** and **Laura Scurlock. Coach Rita Smith** described her team as "one of the most spirited and 'fun' teams I've had in quite some time." The girls took their preparation seriously and were intense competitors on the court. They kept the enjoyment in the sport too, though. The craziness that they displayed following back-to-back wins over Hug and Reed this season was proof of that.

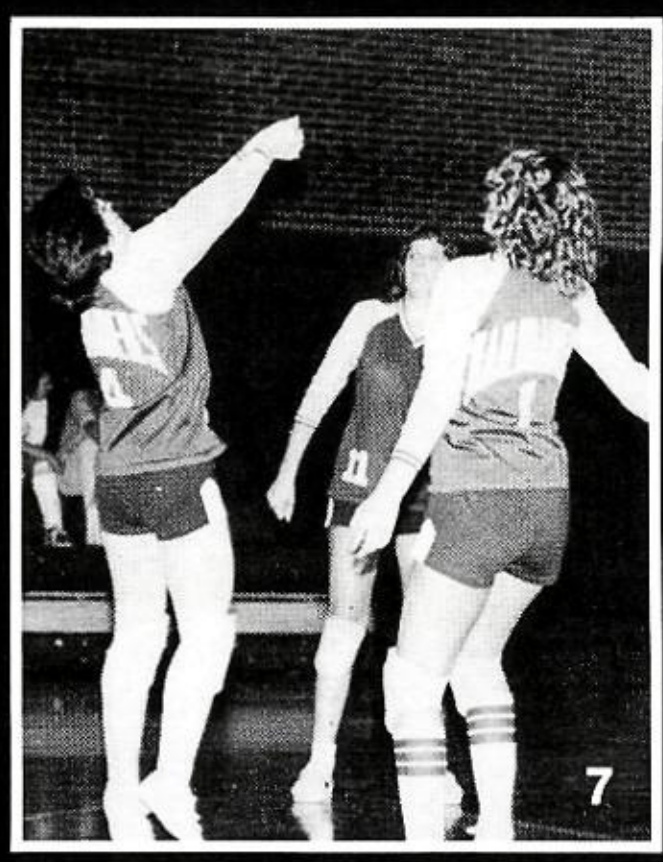




Top Row: Coach Rita Smith, Roxy Lavelle, Whitney Gleba, Anna Martin, Lorrie Bergmann, Tracy Williams. **Bottom Row:** Kris Galleron, Laura Scurlock, Kami Rock, Wendy Brown.







1. **Coach Rita Smith** sits in deep thought and concentration.

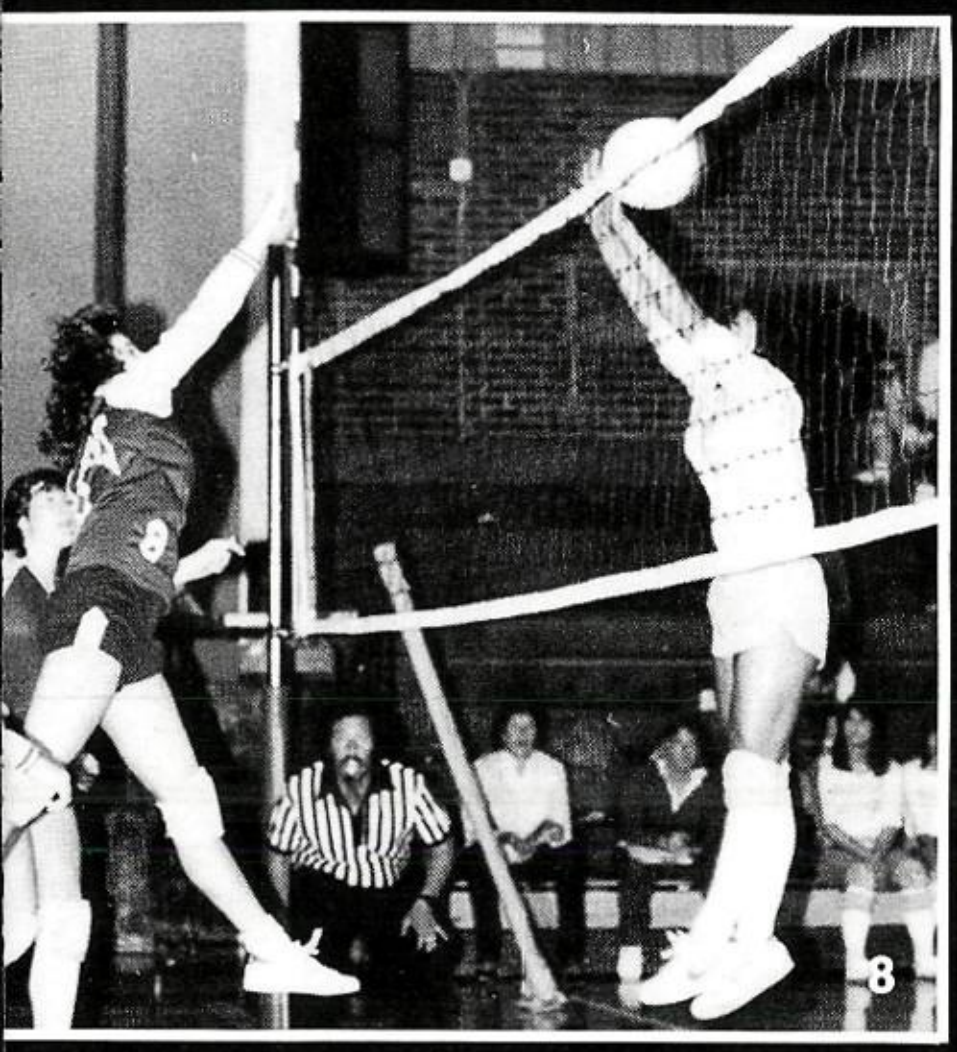
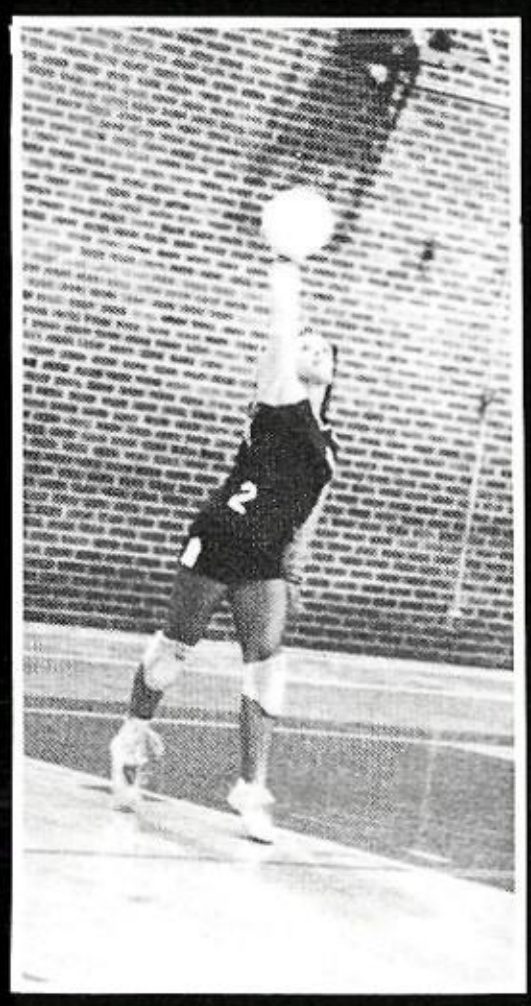
9. Junior **Wendy Brown** shows excellent service form.

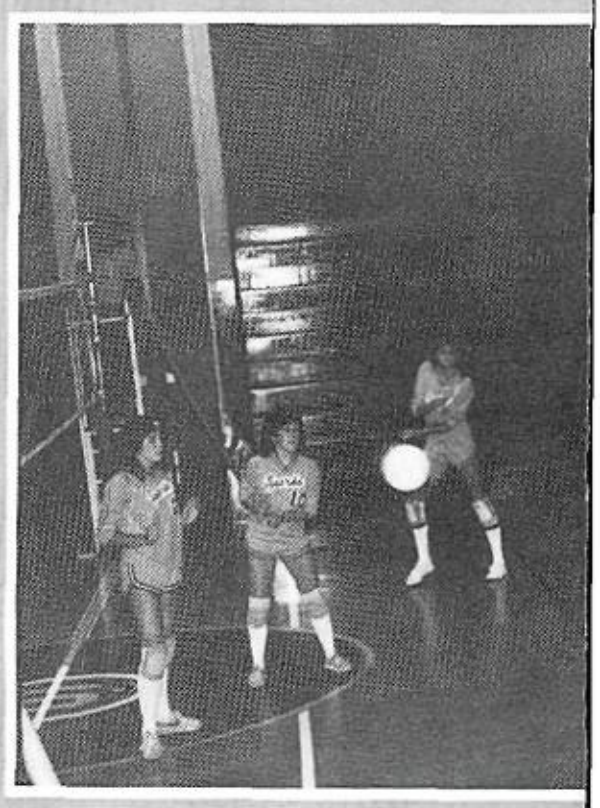


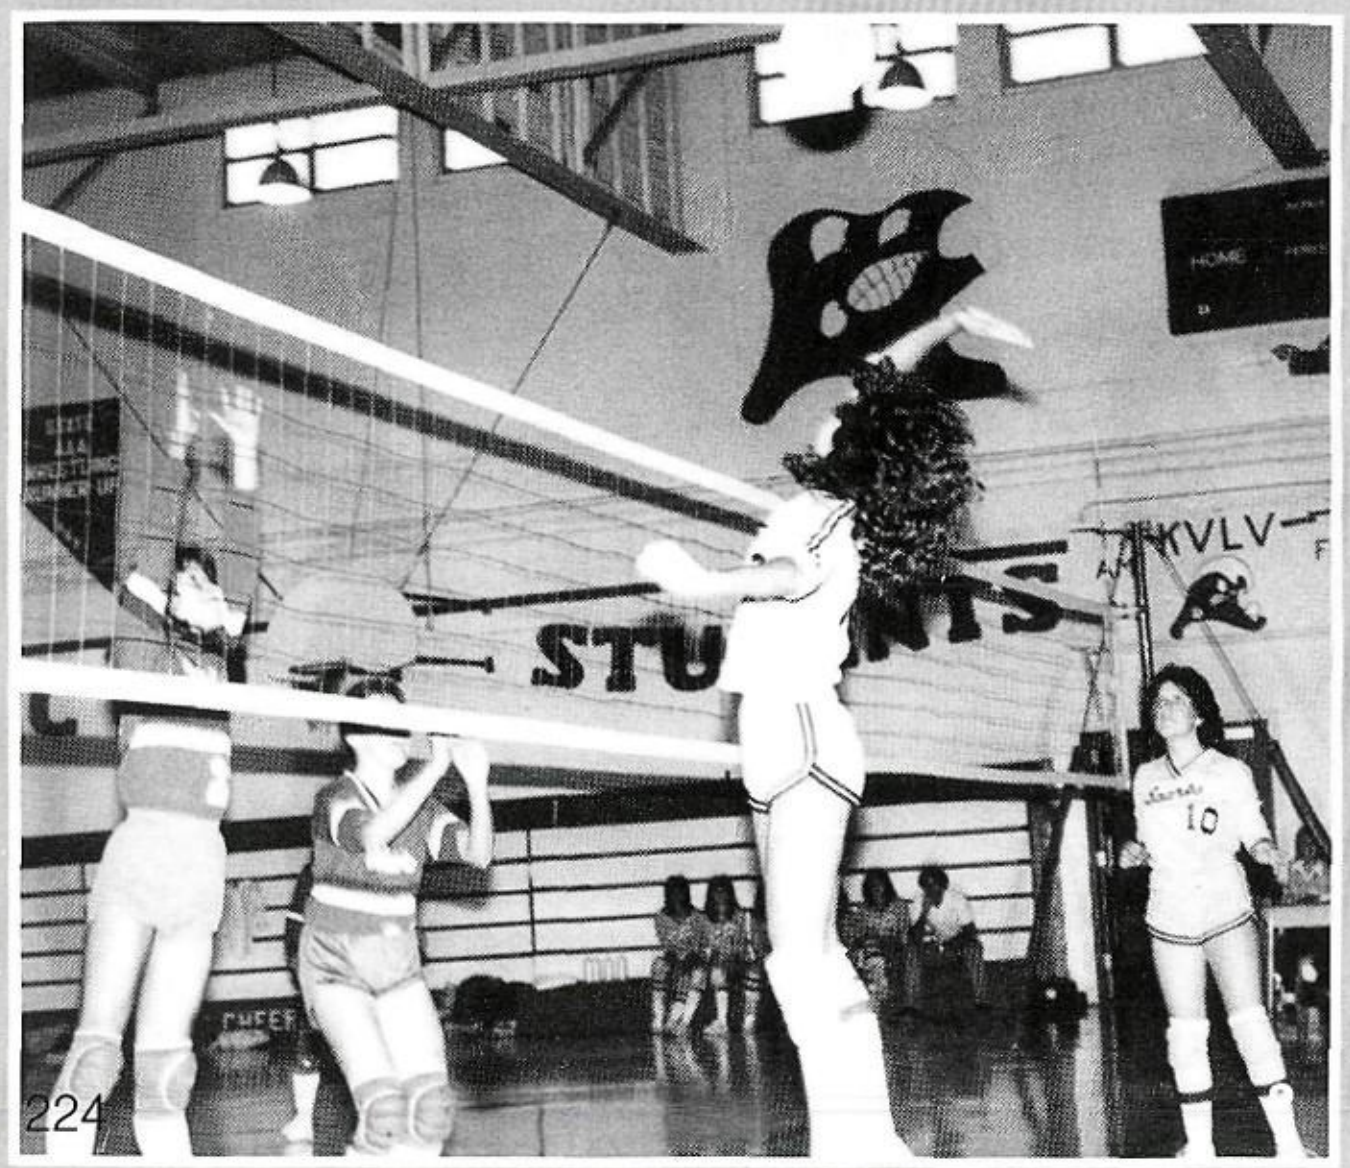


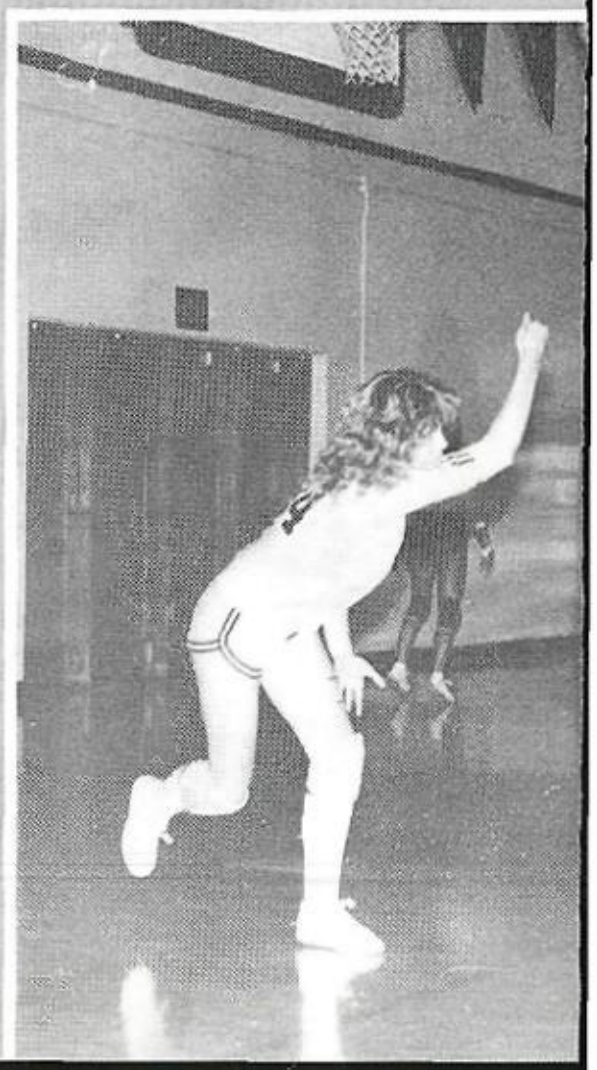
JV's taste success, gain experience

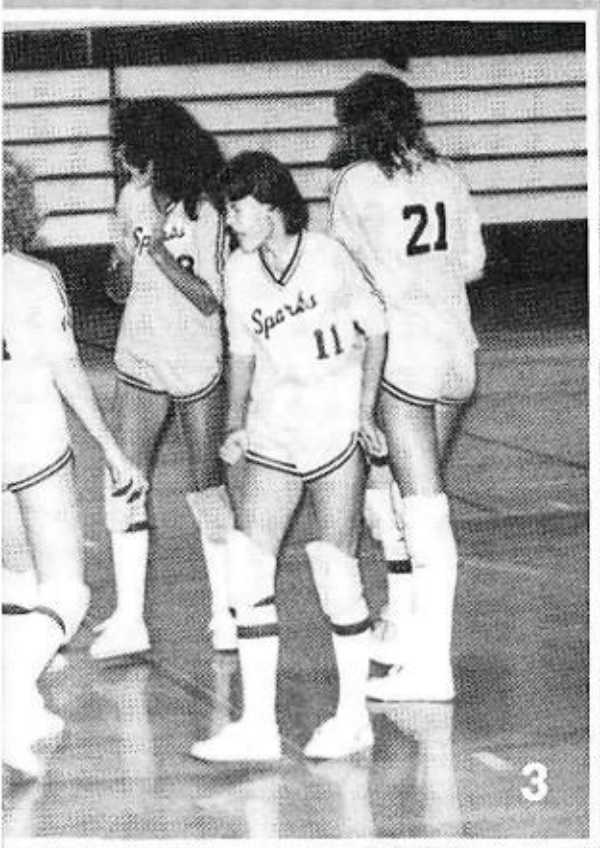
The junior varsity volleyball squad consisted of six freshmen, four sophomores, and one junior. The freshmen girls learned a lot from the experienced junior, Maria Brown, and the sophomores on the team. The team's greatest asset may have been their ability to unite themselves as a single unit when game time came around.

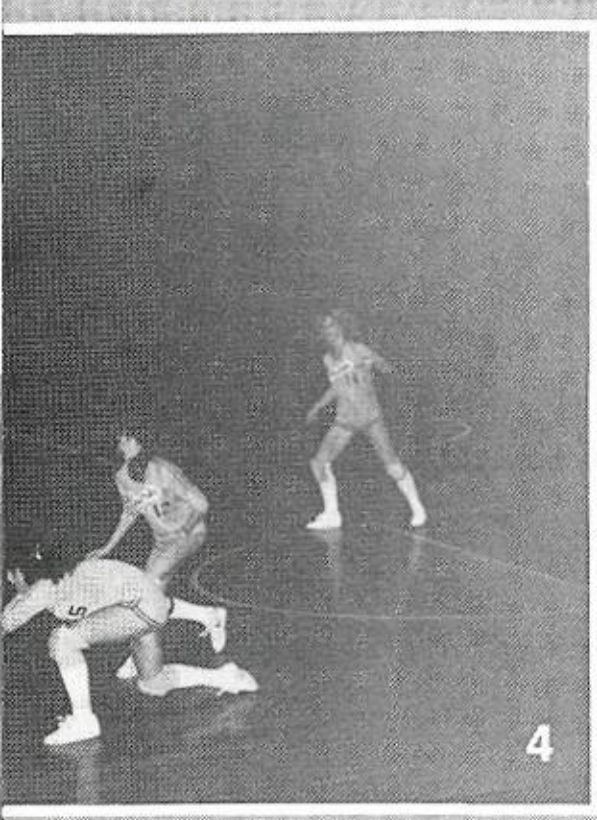
Coach Tom Olivero realized that a winning season was important, but he still gave every player the opportunity to play and experience the game. **Mr. Olivero** stated at the athletic banquet, "All of the girls were terrific people on the court and off, and I really enjoyed working with them."

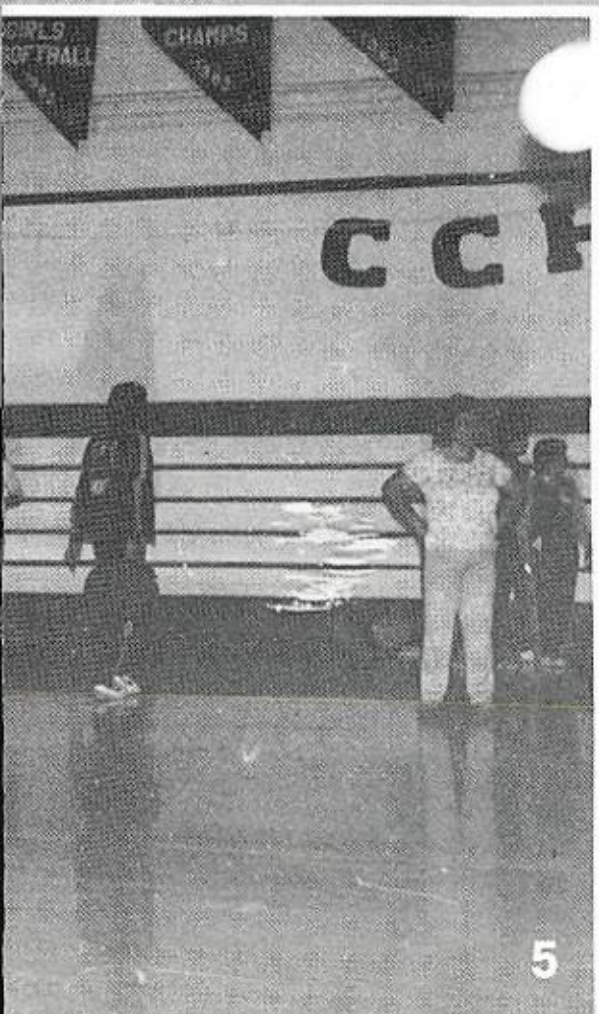












1. **Coach Olivero** discusses strategy with the team during a timeout.
2. Going for the kill!

Top Row: Pam Warren, Shannon McDonald, Tiffany Annand, Kristen Totton, Debbie Rosas, Marian Zabala, Coach Tom Olivero. **Bottom Row:** Maria Brown, Tracy Golden, Stephanie Farley, Corinne Williams, Gretchen Larsen.

Not outstanding, but good finish

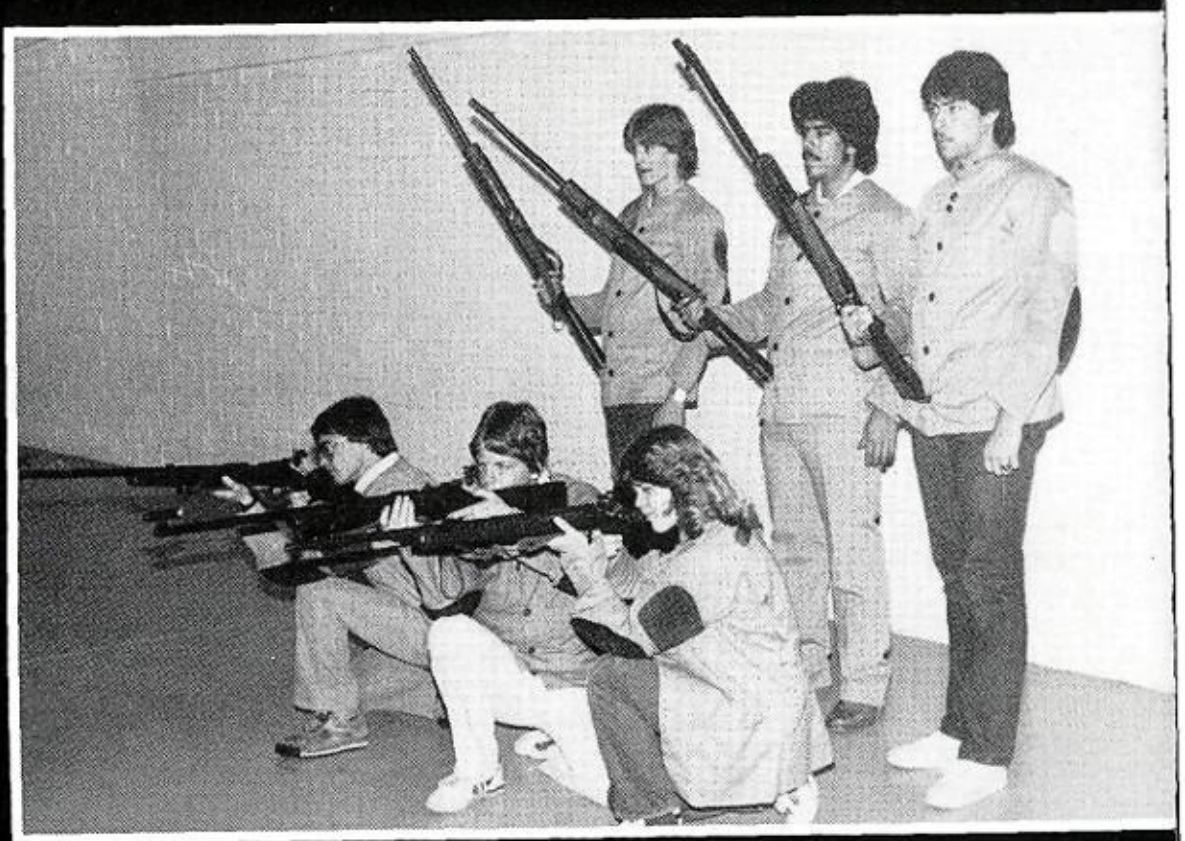
Front L-R: Frank LaClare, Doug Briscoe, Regina Smith. Back L-R: Bruce Banfield, David Arevalo, Carter Gilinsky.



Girls gain experience

In the beginning of the season the girls Varsity golf led by Coach **Dick Peraldo** looked very optimistic. As the season progressed the hopes of having team members qualify for state faded. Although some of their dreams were shattered, they gained experience working with one another and Coach **Peraldo,** thus making them better people and preparing them for future seasons in women's golf.

Defending conference champs!

This year's conference championship did not come as a repeat of last year. Two other teams in Northern Nevada, South Tahoe, and Reed were hard to stop.

Sparks had three players, **Damian Fialdini, Lenny Gilmore,** and **John Pinto,** in the top ten scorers of the north throughout the year. Another starter, **Rob Fralick** had his season shortened with an ankle injury missing nine games in the middle of the season.

Coach **Dick Peraldo** has done a terrific job keeping Sparks High's winning attitude enthusiastic.

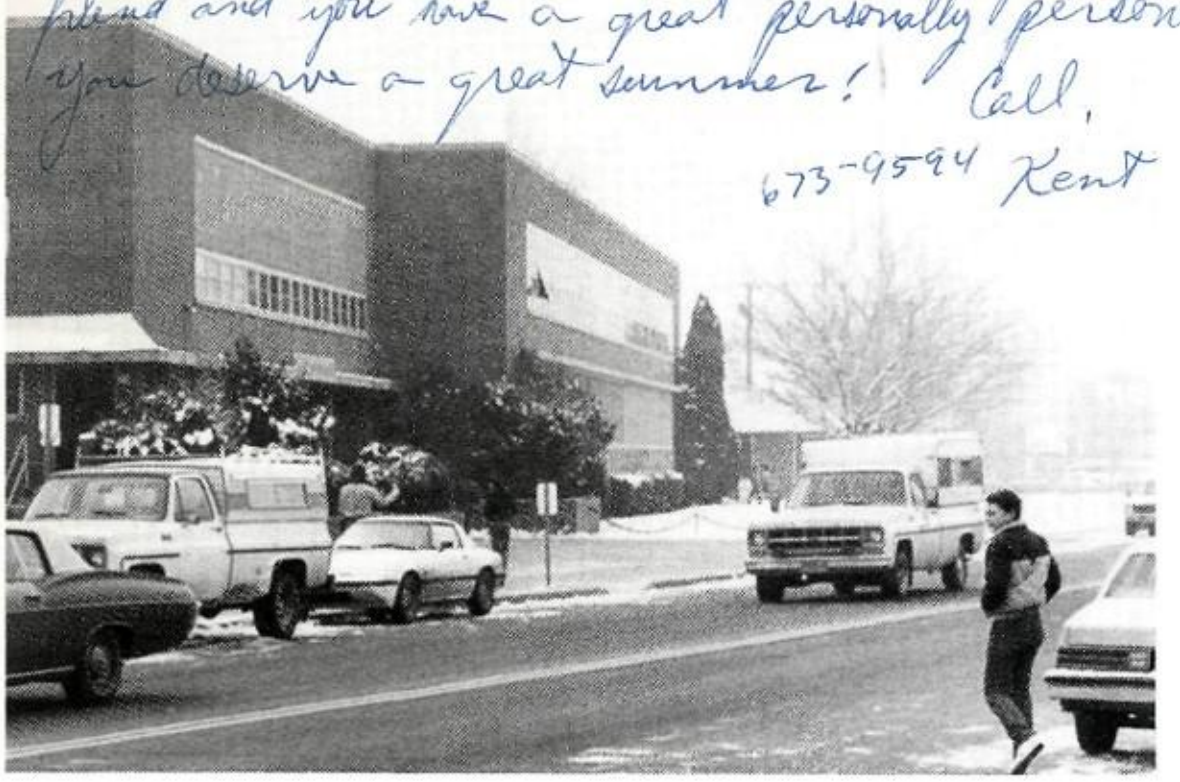
Rychel -

I'm super glad to know you since your a super friend! I hope you'll be in band next year regardless of what Vaughn is like. You a great friend and you have a great personality personality! You deserve a great summer! Call, 673-9594 Kent



As the growth of Sparks continued after 1976, so did a rivalry between two schools of the community of Sparks. Attendance to Sparks High dropped increasingly after the opening of the doors at Edward C. Reed High School in 1975. The rivalry in sports, as well as attendance began. But the spirit and the sense of loyalty to Sparks never ceased. There are a few teachers at Sparks that were, at one time, students here; a loyalty to a school they could never leave. And even though not large in number, we will always remember that we never gave up.

Being editor of Sparks High's yearbook for the last two years has been a very big honor for me. I've worked on the yearbook for four years now, and I'd have to say that this was my most intriguing year as a member of the publications class. I'd like to thank the following people. First of all I'd like to thank Ross Photo for developing our pictures when we needed them in a hurry. To the Jostens Yearbook Company and Tom Scantlebury, whom we again pressured with late deadlines, we appreciate the patience. To the ad sponsors, we thank you for your contribution to the book. To the administration and faculty of Sparks, thank you for your spiritual support. I'd like to give a warm thanks to my wonderful staff of hard workers; all their dedication and loyalty to this book from you guys is greatly appreciated. Finally, Mr. Furman, who will have to contend with the yearbook after I am gone, Good luck in the following years. As the editor of **Terminus,** I want to wish the 1984 seniors a happy graduation, because you're the seventy-fifth class to graduate from this school.

Brett Johnston, Editor
